WORK-BASED LEARNING

Welding Job Shadow & Internship | Yellow Weld

COLUMBUS, OH | SUMMER 2023

- After my initial job shadow, I brought a couple of classmates with me the second time to provide them with the opportunity to experience welding at a small business in comparison to a larger company.
- Observed and assisted experienced welders in various welding techniques, including MIG and Stick welding.
- Gained hands-on experience with welding equipment and tools, understanding safety protocols, and proper maintenance.
- Learned to read and interpret blueprints and welding symbols, developing foundational knowledge of metal fabrication processes.
- Assisted in preparing materials for welding, including cutting, grinding, and fitting metal components.
- Participated in quality control checks, ensuring welds met industry standards and specifications.
- Discussed with welding professionals to gain insights into the trade, career opportunities, and industry best practices.
- Developed a strong understanding of workplace safety standards and the importance of precision in welding tasks.

Welding Job Shadow | Suburban Steel

COLUMBUS, OH | NOVEMBER 2023

- Shadowed skilled welders in a fast-paced steel fabrication environment, gaining exposure to various welding processes including Stick, MIG, and TIG.
- Observed the preparation of metal surfaces, including cleaning, measuring, and aligning components for precise welding.
- Developed a solid understanding of safety protocols, including the proper use of personal protective equipment (PPE) and adherence to OSHA standards.
- Assisted in the setup and operation of welding equipment, learning about different welding machines and their applications.
- Participated in discussions on project planning, material selection, and the importance of structural integrity in steel fabrication.

SUMMARY

I graduated from the Welding and Sheet Metal Fabrication Program at the Delaware Area Career Center. My soft skills include being respectful, a team player, critical thinker, problem-solver, responsible, and a hard-worker. My future plans include a full-time welding position to further advance my skills.
